

Sliding Fee Scale Program

As a Federally Qualified Health Center (FQHC), the Sixteenth Street Community Health Center provides access to services without regard for a person's ability to pay. This system provides a full discount (with a nominal fee) to individuals or families with annual incomes at or below the poverty guidelines and also offers a sliding fee discount for those patients with incomes between 100 & 200 percent of the poverty guidelines. Patients applying for the sliding fee discount must provide proof of income for the past 30 days. All patients without insurance must be evaluated for the sliding fee discount program. Failure to apply will result in the inability to schedule a medical and/or behavioral health appointment.

The following information/documents can be used to verify income:

- Prior year tax return or W-2
- Check stubs from the past 30 days* preceding the application
(*The past 4 check stubs if paid weekly, the past 2 if paid bi-weekly)
- Unemployment check(s)
- Social Security/SSI checks or statements
- Pension checks
- Alimony, child support etc.
- Attestation of income by employer
- Bank statements to verify any direct deposits

To schedule or cancel your appointment, please call (414) 672-1353

- OB/Pregnancy related services are not covered by the Sliding Fee Scale Program. Please contact our Social Services Department at ext 3363.
